THE NEW ADVENTURES OF ADAM AND BIGFOOT!

We're back with Adam's family, a few months after the first film's breathtaking adventures! Bigfoot is now very famous and wants to use his celebrity to change the world. He is contacted by a Non Governmental Organisation to help protect the largest wildlife preserve from being polluted by an oil company. When Bigfoot goes missing, his son, Adam and the rest of the family will do whatever it takes to find him and save the preserve...

THE FIRST JAPANESE ANIMATION FILM EVER PRESENTED IN WORLD PREMIERE IN CANNES

Kun is a happy four years old boy until the birth of his little sister Mirai. His joy quickly turns to disappointment when she replaces him as the center of attention. But Kun discovers a mysterious garden : a magical door to a fantastic world where past and future meet. There, he will encounter his family members at different stages of their lives, including his baby sister as a teenager. These experiences change his vision of the world and help him grow into the big brother he was meant to be.
